

RAMMSTEIN GIN

Rammstein Gin is an aromatic Dry Gin offering a vibrant blend of botanicals using juniper, coriander, angelica root and lemon peel. Not so much a “Feuer frei” kind of spirit but definitely an “Ohne dich kann ich nicht sein” type of gin! The perfect base for a refreshing G&T or any other gin cocktail enjoyed on ice and in good company.

Nose: Typical notes of juniper and coriander seeds followed by lush citrus notes reminding of lemoncurd with floral hints.

Palate: Very classic on the palate with a burst of citrus flavors. Sweet and mellow finish.

Country: United Kingdom

Distillery: N/A

Alcohol: 40% alc.

Age: unaged
