

JIN JIJI

Jin Ji Ji India Dry Gin is a hand-crafted Indian gin, small-batch distilled, with Darjeeling tea and wild foraged Himalayan Juniper. The name Ji Ji is derived from the Hindi word Jijivisha, a word best used to describe a lust for life. Jin Ji Ji is an exploration across the diverse landscape of India to capture the unique flavours of this magical country.

It is copper pot distilled in Goa.

Tasting Notes:

Well balanced aroma with soft tones of juniper and sweet spices combined with citrus rind on the nose. Ji Ji India Dry Gin has an elegant soft yet structured mouthfeel allowing the delicate nuances of chamomile and mint to appear on the palate.
